Parents and New Drivers WELCOME!

Our simulator in action. Students are learning how to merge on to a freeway.

Brand new cars in all locations! We're going green! Our fleet of training vehicles includes brand new Honda Civic Hybrids.

By learning on a simulator, our students are exposed to real-world situations in the safety of our classroom. Learn the DriveWise way!

Our simulator graphics are so real its incredible!

The DriveWise classroom sessions are fully interactive with our brand new Classroom Performance System. Each student operates their own electronic quiz remote allowing for a retention rate of 90% and higher!

Our friendly and highly-trained instructors make learning fun, in car and in class!
